

FLAG INSTRUCTIONS:

Please sign and take pictures with the flag (largest group as possible), videos made for the Department and Families are also very welcome.

Please text the images and location of the flag to:

Jennifer Severns @ 208-571-8107

or

Mitch Kriebel @ 469-502-8864

or email the location and picture to:

ruckforthefallen22@gmail.com

Please ensure all pictures are sent to us, so that we may upload to the "Ruck for the Fallen" website and Facebook page, allowing everyone to follow the flag's journey at <http://www.ruck4thefallen.org/flags.php>

We also want to ensure that the family receives these images.

Black, Blue and silver Sharpie markers have been included.

This flag ALWAYS rides in the front seat of any vehicle from destination to destination. We ask that the flag is never mailed, but we understand if options are limited.

Please let me know (by text or email) where the flag is headed, as it goes from department to department.

Additionally, please try to keep the flag moving - no longer than 2-3 days with each department.

Many departments are going to want the opportunity to sign the flag and we respect that, but the most direct route to its destination is best.

Feel Free to send letters along with the flag as well as patches, coins, etc.

We ask that the flag be refolded with honor.

Thank you from Ruck For The Fallen and for Honoring the memory of our fallen hero. We are thankful for the care and support you have given to help this Honor Flag travel across the united states. You can follow its progress on Ruck for the Fallen's Facebook page as well as on our website:
